

Ocean Air Transportation celebrates 25th Anniversary!

Ocean Air Transportation www.oatinc.com an industry leader specializing in air, ocean, and expedited ground shipments both domestically and internationally, will celebrate its 25th Anniversary on March 6th, 2011.

Beginning in March of 1986, President and CEO Michael Cipressi has lead the organization as one of the foremost privately held, freight forwarding companies in the state. We are proud to share that our customer base includes numerous Fortune 500 clients from every industry – many of whom have long-standing relationships in excess of 15 – 20 years. The superior quality customer service and attention to detail has been the cornerstone of our success. Along with a team of dedicated professionals, many who have been with the company from its inception, Mr. Cipressi has established a winning formula for continued success.

For 25 continuous years the company has thrived and will continue to dedicate its efforts in meeting the ever-changing logistics needs of our customers to provide solution oriented results. With our corporate headquarters located in Windsor Locks, Connecticut, we will continue to specialize in the handling of air, ocean, and expedited ground shipments both domestically and internationally for our clients from coast to coast.

We have the expertise to assist with the day-to-day demands that all fast-growing, cost conscious organizations need. Truly, the strength of our service is the *strategy behind the move*. And we look forward to servicing our customers well into the future!
